## SPA SCHOOL – Chlorine and Bromine

❖ For warranty purposes **ALWAYS** use **ARCTIC PURE** products

**REMEMBER TO WAIT 15 MIN. BETWEEN STEPS**

### **START UP**

- ❖ Fill dispenser with sanitizer tablets ( 1-chlorine, 2-3 bromine)
- ❖ Add 1 tab to skimmer basket
- ❖ Add 3oz of **Best Defense**
- ❖ Add 3oz of **Spa Perfect**

### **WEEKLY**

- ❖ Perform a water test with strips or test tubes
- ❖ To adjust PH use **Adjust up** or **Adjust down** (1 capful per block on testers)
- ❖ To raise the alkalinity use **Perfect Balance** (will cause cloudy water if more then 2 capfuls are used in a 15min. period)
- ❖ To increase the **chlorine / bromine**, add one puck to skimmer basket
- ❖ Add 3oz of **Best Defense**
- ❖ Add 3oz of **Spa Perfect**

### **HELPFUL HINTS**

- ❖ **Do Not** use **Best Defense** and **Easy Clear** together. Will cause cloudy water. Allow 24 hours between them.
- ❖ **Easy Clear will clog filters**, For disposables filters use **Easy Clear** just before a filter change, for Reusable filters make sure filter is cleaned after using Easy Clear
- ❖ For Foaming water use **Foam Dissolve**
- ❖ To soften your water add 1 cap of **Ultra Spa**
- ❖ After heavy use add 2 capfuls of **Refresh**
- ❖ **Disposable** filters should be changed every **3-5 months**; **Reusable** ones should be cleaned **Every Month**.
